

IYERE Nehemiah

GRAPHIC DESIGNER | FULL STACK DEVELOPER | CONTENT WRITING | SPACE HOST |

OBJECTIVE STATEMENT

Creative and versatile professional with 5+ years of experience across graphic design, full stack developer, content writing, KOL marketing, and crypto raiding. Skilled in building strong brand identities, engaging online communities, producing high-quality content, and driving organic project visibility in Web3 and digital environments. Known for combining creativity with strategic communication to boost brand awareness, audience interaction, and project growth.

EXPERIENCE

Graphic Designer – Freelance / Various Brands

2019 – Present

- Designed branding materials including logos, banners, flyers, posters, NFT assets, social media graphics, and marketing visuals.
- Collaborated with clients to develop consistent brand guidelines and ensure strong visual communication.
- Produced eye-catching designs that improved engagement and increased brand visibility by up to 40%.
- Provided fast-turnaround creative solutions for Web3, corporate, and e-commerce clients.

Full Stack Developer and Designer

Freelance / Remote — Jan 2020 – Present

- Designed and developed responsive web applications using React, Next.js and Node.js.
- Collaborated to clients to wireframe, prototype, launch UI/UX designs.
- Created and implemented design systems and style guides for consistent brand identity.
- Optimized front-end performance, accessibility and SEO for client websites.
- Used Git, Docker, and CI/CD pipelines for streamlined deployment and version control

KOL (Key Opinion Leader) / Influencer – Web3 Ecosystem

2021 – Present

- Promoted crypto and NFT projects through curated content, livestreams, reviews, and campaign collaborations.
- Partnered with marketing teams to execute targeted promotional campaigns, generating audience reach and conversions.
- Provided valuable feedback to project teams on community needs, sentiment, and brand perception.
- Helped multiple Web3 projects achieve successful launches and improved market visibility.

Crypto Raider – Marketing Contributor

2021 – Present

- Participated in coordinated marketing and raiding campaigns to increase organic engagement on X/Twitter.
- Created viral threads, comments, and reactions to boost project awareness and improve social sentiment.
- Collaborated with raiding teams to trend hashtags and amplify project announcements.
- Contributed to achieving higher impressions, improved follower growth, and boosted brand presence.

Content Writer – Freelance / Brands & Web3 Projects

2019 – Present

- Produced blogs, social media posts, scripts, newsletters, and promotional content for brands and blockchain projects.
- Simplified complex Web3 concepts into clear, engaging content for diverse audiences.
- Wrote SEO-optimized articles that increased website traffic and improved user engagement.
- Delivered consistent content calendars aligned with brand marketing goals.
